

Wyvern Announces Management of Osney Media International Event Attendees Data

Osney Media have exclusively appointed Wyvern Direct Response to manage their specialised event attendee database. Osney Media spearhead the events market with their delivery of engaging and practical content, providing value across the Public Sector, HR, Telecoms and Banking & Finance Sectors.

Attendees are from across the globe and selectable by Job Function, Industry and Country. The international affluency of this file provides pan-European mailers with confidence in the quality and delivers known senior management buyers who actively respond to dm and telephone communications.

Datasheets available:

- Media Event Attendees Masterfile
- Osney Media Banking, Finance & Tax
- Osney Media Human Resource Professionals
- Osney Media Public Sector File
- Osney Media Telecoms Attendees File

Who should use this data?

Finance Publications and Reports; International Business Schools; General Management Training and Conference companies; International Business Publications and Subscriptions; IT Infrastructure and Software; Business Travel; Economist Resources; Country Reports; Corporate Finance and Insurance.

** NEWSFLASH **

The Telecoms Event Attendees file is available on an outright purchase option. Contact us to find out more.

For more information, or same day counts and selections, please contact us on +44 (0)1353 667733 or email wdr@wyverndm.co.uk.

We look forward to hearing from you.
