

Exceptional lists - Exceptional Results

Announcing the arrival of a BRAND NEW file....

The Public Sector Database

Postal Size: 36,869

Telephone: 36,869

Email Size: 26,899

The Public Sector will always survive the toughest of recession. Their budgets remain whilst many private organisations budgets are dwindling. There has been no better time to switch your attentions to the Public Sector for a better ROI on your b2b campaign. The Public Sector are a management organisation with real business needs. Public Sector management are hugely responsive and responsible for significant budgets in their local area providing an optimum prospect opportunity for targeting the government at all levels.

This brand new source of Public Sector data is just perfect for mailers of Software systems; Stationary and Office Equipment; Training; Facilities, Signs and Safety related offers; Business Training and Newsletters; Conference and Exhibitions. And just look at the depth of selections....and you can select postal data, email data or telephone!
