

TWM, M&E and ESE 2009 Attendees Now Available to Rent

We are delighted to announce the release of TWM, M&E and ESE attendee lists once again to the general market. The 2009 visitors represent the UK's most influential workplace decision makers from sustainability and energy, from facilities and maintenance, and building infrastructure. These attendees are the most clearly defined, highly responsive in the field.

Previous successful users: manufacturers of energy saving equipment for the public and private sector; magazine subscription offers; buildings and maintenance; health and safety; training and generic management related products and services.

For more information, or same day counts and selections, please contact Omar or Richard on 01353 667733 or email wdr@wyverndm.co.uk.

We look forward to hearing from you soon.

Kind Regards
Hayley
