Exceptional lists - Exceptional Results

**UK Facilities Managers...  
Multiple Sources...  
Multiple Selections...  
From 1 List Manager...**

We are gathering quite a collection of different, independently owned lists from a range of data owners, all providing access to the UK's most decisive, active and multi faceted, Facilities, Security and Safety management personnel.

These roles are fast becoming the hub of most corporate organisations, with skills to their job function armour that apply to most budget areas. They are the real workers with real spend power.

Here's what we have for you. There is a huge range of selections behind each, so please contact us to see what's available:

**The Facilities Show**

**Fire & Rescue**

**IFSEC**

**International FIREX**

**Safety & Health Expo**

**BFM**

**UK Facilities Managers Database**

**Successful users include:** Seminar, Conference & Events; Building, Construction & Maintenance; Building Services; Security; Signage; Health & Safety and many more.

For more information, or same day counts and selections, please contact Omar or Richard on 01353 667733 or email [wdr@wyverndm.co.uk](mailto:wdr@wyverndm.co.uk).

We look forward to hearing from you soon.
