## Wyvern DM make it to the Finals of the Ely Business Awards

**We are very proud to announce we have been shortlisted as finalists for the 2013 Ely Business Awards!**

Organised by the Ely Standard, in our hometown of Ely, Cambridgeshire they recognise achievement within the local business community.

Whilst **Wyvern** service a range of international clients of all sizes, our roots have always been in Ely, where we have been based for 30 years.

Our MD, Ian Rutherford, has been shortlisted for *Commercial Business Person of the Year*, and the company as a whole has reached the final of *Medium Business of Year*.

**Well done to all the team whose continual hard work and dedication made this possible!**
